USCCB Postcard Campaign
for Legislative Change**

During the months of January, February and March, the United States Catholic Conference of Bishops is stepping up efforts to push for legislative change by beginning a 1.5 million signature postcard campaign in dioceses' across the country.

Show your Senators and Representatives that Catholics and other supporters of immigrants want legislation that keeps families together, adopts humane enforcement policies, and ensures that immigrants without legal status register with the government and begin a path toward citizenship.
